

TITAN® BOLD SMOOTH-CUT  
**NOW  
EVEN  
BETTER**

**ReLever™**

**THE TITAN® BOLD SMOOTH-CUT ROLL TOWEL DISPENSER GETS AN UPGRADE WITH MODIFICATIONS TO FURTHER IMPROVE DISPENSING QUALITY.**

Exclusive to Kruger Products, now load paper even faster with the **new ReLever™ internal loading bar**, allowing those servicing the unit to have easier access to the loading mechanism, thus minimizing the time required for roll changeouts.

Additional modifications include:

- A new extended collar on the proprietary arm support aids in a more centred alignment of the roll towel, virtually eliminating the chance of paper jamming
- Potential friction between the levers and housing has been reduced with the application of Super Lube®, allowing for an even smoother pull

## TITAN® BOLD SMOOTH-CUT ROLL TOWEL DISPENSERS

- Exposed paper allows users to dispense one towel at-a-time, providing a clean towel after every pull
- Internal “suspension-like” roller uses integrated roll dampening technology enables an easy, quiet pull with smooth dispensing
- Controlled dispensing of 10" sheets minimizes excess usage
- ADA compliant: easy press back-up lever dispenses towel from housing if towel is not visible
- Available in black and white finishes
